

CONSIGNING WITH MYGO2GIRL

Depending on your items, building materials, furnishings, art, collectibles, clothing, etc., we will need usable website photo & dimensions of all items. You can choose to provide them or we can schedule a photo/measure appointment for a fee of \$150 up to 10 items and \$250 over 10 items. Additionally, if available, provide other details such as: * **Manufacturer** * **Age** * **Amount Paid** * **Any defects or special features** * **Receipts**.

We have several sales channels where we market your product. MyGo2Girl.com, eBay, Etsy, Facebook, Instagram, Poshmark, Vestaire Collective & Craigslist. We work diligently to pre qualify a legitimate buyer so as not to waste your time nor ours. You would need to be comfortable with the prospective buyer coming to your home to show/pick up the product at your convenience. Typically, if we've made an appointment to show a piece, it is because we believe that they intend to purchase the item. In our experience, you can expect to sell furniture for about 25%-35% of it's retail value for it unless it is a rare piece, or a popular name brand (Restoration Hardware etc), in which case, it can be as much as 50% of retail. Building materials are a different breed depending on age, wear & demand. But they do sell the quickest! What doesn't sell we arrange to be picked up by Habitat for Humanity.

We will need 1-2 weeks, to complete the research and valuation of process before your product reaches the marketplace. Once your product is evaluated, we will provide you with an inventory sheet reflecting estimated value of your product. We work diligently to market your items & find them new homes. The fee for this service is 35% of the sale price unless it's building materials/appliances, which is 50% of the sale price. Payouts for items sold are monthly, within 2 weeks of the previous month's end, less the consignment fee. Should you choose to store your product in our warehouse, provided there's adequate space available at that time, the fee is then 50%. Transporting of your product to or from the warehouse is subject to a transport fee depending on the quantity of pieces. If a period of six months has passed and your product is in our warehouse, we can discuss alternatives including drastic reduction of price, donation or pick up/delivery of your product. This is considered an exclusive consignment arrangement. Should you decide to sell your product, give to family/friends or keep it after consigning with us, it will be subject to a 15% consignment fee based on the current listed price of said item. Your timeline is important as we will reduce pricing monthly by 10% for the period of 5 months. At the 6 month mark, we will contact you to re evaluate the arrangement.

Thank you for your interest in our services at MyGo2Girl! We look forward to finding homes for your preloved product!

Sincerely,

MyGo2Girl Team
